Stage 1

Welcome reception and WINEArt competition

We'll kick things off with a welcome drink at WINEArt and a little challenge: there's a carefully selected wine in your glass. But which of the artworks on display do you think pairs best with it? Let your senses guide you as you explore the connection between wine and art.

Stage 2

Non-alcoholic drinks at Les Découvertes bar

Next, we'll visit Bar Les Découvertes. There, you'll be introduced to the world of alcohol-free wines and learn all about alcohol-free alternatives to wine.

Stage 3

Guided tour of the festival

During a guided tour of the festival, you'll discover the diversity of Swiss wine and visit selected producers. English-speaking exhibitors will present their wines and invite you to discover and taste a variety of Swiss wines.

Stage 4

Wrapping up at «Bar Les Rarités»

To round off the evening, we'll meet up at the «Bar Les Rarités» for a glass of wine. It's the perfect time to reflect on the shared experiences, chat and soak up the festival atmosphere.
